Greater Portage County

Newsletter: November 23, 2018

Greetings, Rotarians!

No Meetings This Week

That means Exec Board and regular Friday meeting.

... but lots going on next week!

Bell-Ringing

There are still slots open in the morning on Tuesday or Thursday.

10-2 Tuesday. 10-1 Thursday. See attached. David H working on BMO employees.

[Red Kettle Sign-up 2018](#)

TFT Shopping

We are still nailing down the date. Probably Wednesday or Thursday evening, 28th or 29th. If you are available and he doesn't know it, contact [Joe](#).

Club Assembly: Membership and Leadership Next Friday

Since that's pretty close to our Dec 5 event, please get your invitations out before that. Email or, better yet, in person. Flyer and updated Contact List attached.

Clothing

Our gear should be ready next week. If you are Ringing or Shopping, I will make sure you have your gear by then. If not, pick it up at Assembly on the 30th. Either way, we'll all be ready with new gear for the Membership/Entrepreneur Event on Dec 5!

Last Week

Dan Holloway presented on the Benefits of Going Primal. This photo of a svelte-looking Dan is a strong endorsement!

Dan gave us lots of information and resources. Here's Mark Sisson's [Daily Apple](#) and his [Primal Blueprint](#), if you want to check it out.

I'm probably forgetting something, but I want to get this out today.

If you are traveling, be safe. If you have a special event with family or friends, treasure that. If you have an opportunity to help the less fortunate, bless you.

Happy Thanksgiving!

Bill
